

Mr Ashley Cosgrove

Jubilee Amusement Rides

74 Polo Rd

ROSSMORE NSW 2557

2 May 2017

Dear Ashley,

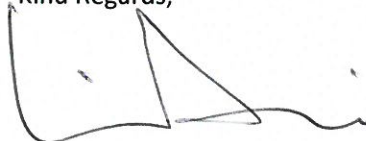

I just wanted to thank you and your team for the fantastic event that you helped us put on. As you know, this was the first event of its kind at our College in over twenty years and we have classified it as a great success.

We have had many comments back from people who attended the event and all have stated that it was fantastic. People have been impressed with the ride selection that you provided, the variety of market stalls and food trucks and of course the amazing fireworks display. They have all stated that the event was professionally arranged and run and were very impressed with what we delivered on the night. Everyone that I have spoken to have asked if we will be putting on the event again next year. At the event, there clearly was something for everyone. I have had some people say to me that next year, they will attend our event instead of the Easter Show!

The team that you provided on the day were professional and organised. Thank you to your team for their efficiency in their bump in and bump out times – it clearly shows that they know what they are doing.

On behalf of Mountain View Adventist College, thank you for your guidance and contacts that you provided in making our event one that stood out. We look forward to arranging the event again next year!

Kind Regards,

Craig Dwyer

Business Manager
